CHART,
an "abstinence-plus" initiative, HAS BEEN ADOPTED IN **21 COUNTIES** statewide.

JEFFERSON DAVIS COUNTY IN 2017

Rank among 82 counties in Mississippi:
21st in teen birth rates ages 15-19³
24th in Chlamydia infection rates⁴
21st in Gonorrhea infection rates⁵
16th in HIV rates⁶
12TH in Syphilis rates⁷

REDUCING TEEN BIRTH AND STI/HIV in Jefferson Davis County

THE LAW: HB494

Requires sex education in MS public schools. Each school district must adopt an "abstinence-only" or "abstinence-plus" policy as well as a curriculum approved by the MS Department of Education.

THE EVIDENCE:⁸

Evidence-based, "abstinence-plus" curricula meet the needs of ALL students and are shown to:

- Delay sexual activity
- Reduce # of partners
- Reduce frequency of sex
- Increase proper use of contraceptives

WHAT IS CHART?

- Abstinence-plus sex education
- Evidence-based, age-appropriate, and medically accurate
- A partnership with the Mississippi State Department of Health and approved by the Mississippi Department of Education
- **FREE** training and technical assistance to school districts
