## REDUCING TEEN BIRTH AND STI/HIV

in Forrest County

# CHART

Creating Healthy and Responsible Teens

## THE LAW: HB494

Requires sex education in MS public schools. Each school district must adopt an "abstinence-only" or "abstinence-plus" policy as well as a curriculum approved by the MS Department of Education.

## THE EVIDENCE:<sup>7</sup>

Evidence-based, "abstinence-plus" curricula meet the needs of ALL students and are shown to:

- Delay sexual activity
- Reduce # of partners
- Reduce frequency of sex
- Increase proper use of contraceptives

**CHART**, an "abstinence-plus" initiative, HAS BEEN ADOPTED IN **21 COUNTIES** statewide.

## WHAT IS CHART?

- Abstinence-plus sex education
- Evidence-based, age-appropriate, and medically accurate
- A partnership with the Mississippi State Department of Health and approved by Mississippi Department of Education
- **FREE** training and technical assistance to school districts
