

SPONSORSHIP OPPORTUNITIES

PRESENTED BY:

The Mobilizing Youth Summit (MYSummit) is a three-day advocacy conference for young people aspiring to create change in their communities. Attendees will participate in immersive workshops, thought-provoking roundtables, and inspiring keynotes, all while building their network of fellow changemakers.

The success of our conference is dependent upon the philanthropic support of corporations, sponsors, and other generous donors. We have been fortunate in past years to have the support of people who believe in the mission of Teen Health Mississippi (THMS), and we hope this year is no exception. Please consider partnering with us to increase the pipeline of future leaders who will impact communities across the state.
